ABOUT ME

I am customer-centric User Experience Designer and an editor. I relish every opportunity to bring ideas to live through intuitive and user-focused digital experience. I am a critical thinker who looks for growth opportunity by challenging problems and learning from others.

EXPERIENCE

UX/UI Designer (Remote Contract)

Marketa, Abuja — *Oct. 2024 - Present*

Marketa is recognized for driving advancements in Online store. Most notable is the introduction of HA5 which is the first product meeting the rigid specifications of a High Density Mineral Bond.

Lead UI/UX Designer (Remote)

SafeHomes, Nigeria — *Nov. 2025 - Present*

SafeHomes is a Nigeria based estate management organization. I worked with to implement designs for an investment web app that allows people to also manage their property plans.

UX Designer (Remote)

JafacLink, Lagos — *Jun. 2023 - Present*

I was responsible for delivering a responsive web design that focuses on user needs, while boldly communicating the goal and purpose of the company.

Video Editor

Private sectors, Nigeria — *Aug. 2021 - Date*

I worked for private sectors across the nation. Taking footage, editing, color grading and sound mastering for the videos and delivered them to the clients.
